PLEASE NOTE

If your pet is unwell on the day of their stay, we will need to speak to you during the day to advise of any treatments they may need, we can schedule a time (perhaps during your lunch hour?) where you can authorise by telephone any treatments they may need.

Should we be unable to contact you and your pet becomes severely unwell in our care we will provide emergency treatment until we can make contact with you.

By signing this form it allows us to provide the best possible care whilst you can carry on with your day.

Only those treatments or vaccinations requested on this form will be given during your pet's stay. No additional treatments other than those requested on the form, or discussed by telephone will be provided.

Failure to complete any part of this form will result in the stay being cancelled. For assistance in completing this form please speak to reception.

Thank you for letting us take care of your pet.
