

Recommend A Friend!

Recommend a friend to us, and both you and your friend will receive a £10 voucher for use within the practice.

Here at Cater Veterinary Practice, we appreciate that our best form of advertising comes from loyal clients who love what we do and the care their pets receive from us. In recognition of this, we have started to reward clients who recommend another pet owner to come and register with us.

Here's the deal: If a new client registers with our practice and they state that they had a recommendation from an existing client, then we will credit both the existing and new clients account with £10 to spend when needed, as soon as the new client has spent a minimum of £10. The existing client must have been registered with the practice for 6 months, and have spent a minimum of £25.

Existing Clients: fill in your details in the first section below, and pass it to the friend you wish to recommend us to.

New Clients: fill in the bottom section and hand in the completed voucher to Reception when you register your pet with us.
