

# Try us for free!

## Are you new to Manor Vets? Tempted to try our services?

At Manor Vets we are proud to offer consultations for exotic pets across our branches. Our Edgbaston Branch is the HQ for our exotics team who look after a wide range of species in our dedicated exotic facilities specifically designed for exotic pets. Including separate wards for predatory and prey species, designated isolation facilities and handling equipment designed to manage these non domestic species safely.

We are confident you will find our service first class and we are offering a **free** consultation with one of our vets to prove it ! Just simply bring this voucher with you on your first visit!\*

This try us for free voucher is worth up to the value of £39.99 covering exotic pets and parrot consultations at Manor Vets.

Not valid on weekends, at night ( after normal consulting hours have finished) or bank holidays. New clients only, not including medication. We accept one voucher per household.
